

Make a \$20 donation and receive a CBRR anniversary Coin

2019 marked the 160th anniversary of the Central Branch Railroad. To commemorate this event professional graphic artist Barbra Agnew, who has done work for Disney Studios, was commissioned to design a 2.5 inch diameter brass anniversary coin. Only 160 of the coins were minted so quantities are limited. Included is a card describing a brief history of the CBRR.

Name: _____

Street Address: _____
